PRODUCT COLOR

- Microporous spray
- 250ml large capacity
- Power off when water shortage
- It operates silently
- Decompression and sleep aid
- 2 modes of spraying
- Extensive compatible
- Intelligent sensing
- Charging at low temperature without being hot
- Smart chip fast charge
- Double copper coils
- 9 kinds protections

Wireless Charger
Aroma Diffuser

Multi-function to meet the daily life

Rich colors and arbitrary collocation

Add a drop of essential oil

Wireless charger specifications :

Input voltage: 5V/9V/12V
Input current: 2A(Max)
Output voltage: 5V/7.5V/9V
Intelligent output power: 15W:9V/1.67A
10W:9V/1.12A 7.5W:7.5V/1A 5W:5V/1A
Sensing distance: 2-8mm
Power frequency: 110-205khz
Charging efficiency ≥70%

Aroma diffuser specifications :

Rated Voltage: DC5V
Working frequency: 110KHz
Working current: 200ma
Water tank capacity: 250ml
Product weight: 415g
Product size: 190mm*140mm*115mm
